📁 PROFESSIONAL SUMMARY

Aspiring **Full Stack Web Developer** with a passion for building and designing websites. I made some **cloning of excellent websites** as **Project Work at Masai School**, **implementing Project Management Skills** and **Collaborative Work** and various **Mini projects** as assignments given at Masai. During this **rigorous 30 weeks of Full Stack, Web Development Programme** at Masai school and doing **1200+ hours of coding** made me skilled, and now I am looking forward to joining an organization that provides opportunities to enhance my skills while working on exciting projects thus creating a mark for myself as a Software Engineer.
